Popping the Question!

Why don't you, too, get back to Ogden's Fine Cut? Times are better, and Ogden's is a better tobacco—the "one and only" choice of smokers who know that cigarettes rolled with Ogden's are the next best to "tailor-mades". Get yourself a package today—it's Cellophane-wrapped and has the purple easy-opening device. And make sure you use the best cigarette papers—"Chantecler" or "Vogue".
